

WORLD MEMORIAL
"Keeping the memories alive"

San Diego CA. 7th Anniversary 9/11 Tributes

Please join us for one or all of the four West Coast ceremonies as we pay tribute to the fallen on 9/11/01.

We will honor the public safety & military personnel who made the supreme sacrifice, in the line of duty, as well as the civilians that were lost on September 11th, 2001. We will also honor the families. And we will pay tribute to the men and women of public safety and armed forces that serve our cities and our country.

Doves will be set free.
Fire Bells will ring.
Bag Pipes will drone.
This will truly be
"memorable!"

Please inform your family and or staff and all of your personnel so that they can attend with their families.

And: RSVP to this E-Mail address so V.I.P. arrangements can be made.
