Re: Proclamation / Resolution request

The WORLD MEMORIAL, a nonprofit charity, sets up 9/11 Tributes and displays in remembrance of the fallen on 9/11/01. We set up over 200 flags and other memorials to honor the fallen citizens of the world as well as the public safety servants that laid down their lives in the line of duty.

This is a very important mission and task and we could not have been successful without the support and assistance of citizens and governmental agencies. This project began in 10 years ago and has taken an extraordinary effort by ordinary people that share our ideals. It is truly an honor to have your city and the public safety servant assist us with this task.

The displays consist of all of the World Country Flags that lost citizens as well as the flags representing all of the USA States. We also have 9/11 Memorial Flags. We estimate that we will have about 250 flags set up in conjunction with other memorials to include the Missing Person Flyers. Our hope is to educate the visitors and teach tolerance and truth as well as preserve the memories of the fallen and the heroes so the tragedy is not forgotten.

Most of the items in our display have traveled from San Diego to New York City twice and many places in between like San Francisco, Los Angeles, Chicago and Phoenix.

Currently we are also assisting / supporting the logistics and transportation of a large U.S.A. Flag which will visit every state during the 50 week period beginning Sept 15th 2010. After the tour, the 30 X 58 foot flag will be driving across the country to fly in additional cities including Shanksville PA, Manhattan NYC and in Washington DC for the Ten Year Anniversary.

We would be also honored if we could receive a Proclamation detailing our efforts. I have attached a sample proclamation / Resolution to this letter. We have received Resolutions and Proclamations from Congressmen and Senators and Cities thanking us for our work and for the effort put forward.

Please go to the web sites for more information about our organization: www.world-memorial.org / www.patriotflag.us

I can provide additional information that details our displays and the Patriot Flag with more images.

Thank you in advance for your support,

Respectfully submitted,

Mitch Mendler,

President WORLD MEMORIAL
